* The Symposium has tried to keep expenses to a minimum. It was for that reason, and with the cooperation of the Province of Thailand, that Pattaya was chosen as the venue for the Symposium.

Nevertheless, the Symposium running costs, not including each participant's board and lodgings, come to US \$40,000. The Province of Oceania is presently carrying these costs and, because it believes in the importance of the symposium, is prepared to underwrite them.

Obviously, any further contribution from your Unit that allays these costs, will be appreciated by the Province of Oceania. Units that have a currency parity closer to the Australian Dollar are particularly invited to make such a contribution.
